**IPS APPOINTS PATRICK BUCKLEN, PE, CIPE AS  
SENIOR DIRECTOR, INTERNATIONAL PROJECTS**

**Lafayette Hill, PA, August 28, 2007** – Integrated Project Services (IPS), a leading, full-service engineering, procurement, construction management, and validation company dedicated to assisting pharmaceutical and biotechnology companies improve operations worldwide, today announced the appointment of Patrick Bucklen, PE, CIPE to the position of Senior Director, International Projects. Mr. Bucklen will assume the leadership role to develop international projects for pharmaceutical and biotechnology clients worldwide. In this new role, Mr. Bucklen will lead IPS's efforts to extend IPS business solutions and technology in an ever changing world. With several projects currently underway in China, India, and Ireland, Mr. Bucklen will further expand IPS' global development activities. Mr. Bucklen will continue in his present role as Principal where he has been instrumental in the development and maintenance of Design, Construction, and Compliance projects for new and existing clients in the New Jersey region.

"Patrick has a keen understanding of all phases of projects and brings knowledge-driven solutions to our numerous domestic and international projects," said Dave Goswami, PE, Principal and President, IPS. "By focusing on technically complex and high performance disciplines, IPS continues to deliver compliance-driven projects that improve operational performance and accelerate time-to-market for clients worldwide."

Mr. Bucklen possesses more than 17 years of experience in the design of cGMP facilities. His specialty is developing complex projects through Conceptual work and Masterplanning, Detailed design of HVAC/Plumbing/Fire Protection Systems, air systems as well as critical utilities. He has also developed and managed several compliance driven projects related to Oral Solid Dosage, Sterile Production, Research and Development, Pilot Plants, Laboratories, Biotechnology, Food and Beverage, Clean Rooms, and central plant renovations.
