**IPS ANNOUNCES CORPORATE EDUCATIONAL PARTNERSHIP
WITH UNIVERSITY OF PHOENIX**

Lafayette Hill, PA, February 7, 2007 – Integrated Project Services (IPS), a leading, full-service engineering, design/build, validation, and compliance company dedicated to assisting pharmaceutical and biotech companies improve operations, recently launched an educational partnership with University of Phoenix, Philadelphia Campuses, offering employees professional development opportunities which provide the knowledge and skills needed to succeed in today’s business environment. Through this partnership, IPS employees have the opportunity to complete an in-depth, customized certificate program focused on management and leadership skills. Participating employees have the convenience and flexibility to attend classes held at IPS corporate headquarters.

“We are delighted to announce this educational/corporate relationship with the University of Phoenix,” said Andrew A. Signore, PE, Chief Executive Officer, IPS. “IPS chose the University of Phoenix as a partner to address the professional development of our employees and customize a program which aligns with our overall mission and business goals. By providing training and educational opportunities for a wide range of skill-levels and occupations, IPS remains committed to investing in our most valuable asset, our employees.”

About IPS
