IPS RANKED AS THE TOP ENGINEERING FIRM IN THE REGION

-Company Also Ranks Among the Top Architectural Firms in the Region and Among the 500 Largest U.S. Based Design Firms-

Lafayette Hill, PA; May 21, 2012 – IPS-Integrated Project Services, a leading, full-service engineering, construction, commissioning and qualification company dedicated to assisting pharmaceutical and biotech companies to execute technically complex projects, today announced that the company is ranked among the top engineering and architectural companies by *Philadelphia Business Journal* and *Engineering News-Record*.

IPS was ranked number one in the *Philadelphia Business Journal*'s "Book of Lists" for Engineering Firms and ranked number 24 for Architectural Firms. Both listings, published in the recent issue of the *Philadelphia Business Journal* ranks the region's top companies by fiscal year local billings. In addition, IPS was ranked 214, up from last year's ranking of 315, in the *Engineering News-Record* magazine, an annual publication which ranks the 500 largest public and private U.S. design firms based on design-specific revenue.

"We are honored to be recognized again as one of the top engineering and architectural firms in the Philadelphia region, as well as by a reputable publication like *Engineering News-Record*," said Dave Goswami, PE, Chief Executive Officer/Managing Director. "These rankings are a testament to our ability to deliver in-depth knowledge, cutting-edge technologies, operational expertise and cost effective business solutions to keep clients ahead of their competition with faster speed-to market products."

About IPS

Integrated Project Services (IPS) is a global leader in the engineering, construction, commissioning and qualification of complex pharmaceutical and biotech research and manufacturing facilities using innovative and cost effective solutions. With technical expertise spanning R&D to pilot-scale to large-scale production, our team specializes in the technology, trends and regulatory environment to successfully deliver capital projects and improve operations. For over twenty years, we have applied unique LEAN methodologies throughout the project life cycle, continually finding ways to do things better and more efficiently, delivering higher quality and controlling costs. Headquartered in Lafayette Hill, PA, IPS is a multi-national company with over 700 professionals and regional offices in Indiana, Massachusetts, New Jersey, North Carolina and four locations in India.
