**IPS APPOINTS GREG KLEINERT
AS COMPUTER SYSTEMS VALIDATION MANAGER**

– Kleinert to lead IPS presence in Computer Systems Validation marketplace –

Lafayette Hill, PA, May 30, 2007 – Integrated Project Services (IPS), a full-service engineering, design/build, validation and compliance company dedicated to assisting pharmaceutical and biotech companies improve operations, today announced the addition of Greg Kleinert, CQA, as Computer Systems Validation (CSV) Manager. In this role, Mr. Kleinert will manage the CSV product/service line within the IPS Compliance Group and provide leadership for the CSV team in setting direction and goals.

Mr. Kleinert possesses 16 years of experience in the execution and management of projects related to controls systems, validation of controls systems and general validation project management. Over the past 10 years, Mr. Kleinert has worked exclusively in the pharmaceutical and biotechnology sectors, particularly in the area of computer systems and controls validation. An expert on System Development Life Cycle (SDLC) methodologies, applicable regulations and validation processes, Mr. Kleinert is a certified Quality Auditor through the American Society of Quality (ASQ) and is a member of the International Society of Pharmaceutical Engineers (ISPE).

Mr. Kleinert is responsible for growing the discrete manufacturing, laboratory automation, IT related and post manufacturing area practice within IPS. Specifically, he will expand the following disciplines:

- Discrete Manufacturing: PLC/Scada applications; DCS; HMI front end interfaces
- Laboratory Automation: LIMS; Chromatography; HPLC, UV-VIS; Vendor Wraparounds
- IT Related: ERP level systems; MES – MiddleWare applications; MRP; Discrete Plant Floor applications; Audits/Assessments – Vendor Qualifications
- Post Manufacturing: Supply Chain; Shipping/Delivery

"Greg's project and technical experience will add significant technical and project management expertise to IPS through his experience in the CSV marketplace," said Dave Goswami, P.E., President and Chief Operating Officer at IPS. "He has proven experience leading technical teams and managing large cross-functional complex projects with significant business impact."

About IPS

Integrated Project Services (IPS), www.ipsdb.com, is a full-service, engineering firm servicing the pharmaceutical and biotechnology industries as well as medical device, diagnostics and specialty chemical. IPS services include technical consulting, engineering and design, design/build, construction management, commissioning, and compliance. Located in Lafayette Hill, Pa., IPS has full service branch offices in Pennsylvania, North Carolina, New Jersey, California, Indiana, Puerto Rico and India.
