IPS ANNOUNCES SERIES OF LUNCH AND LEARN PROGRAMS

Lafayette Hill, PA, January 29, 2007 – Integrated Project Services (IPS), a leading, full-service engineering, design/build, validation and compliance company dedicated to assisting pharmaceutical and biotech companies improve operations, today announced the launch of a series of Lunch and Learning programs. Lunch and Learn programs are a powerful way to enhance knowledge and technical understanding within clients' organizations.

"IPS is excited to share our industry expertise by offering a broad range of technical topics key to achieving operational excellence and contributing to overall drug manufacturing success," stated Andrew A. Signore, PE, Chief Executive Officer, IPS. "These sessions are highly interactive and are a cost-effective opportunity to deliver in-house training and development opportunities that introduce and discuss current technical know-how and industry best practices."

IPS Lunch and Learn programs include the following topics:

- ISPE Engineering Baseline Guides
- Commissioning
- Compliance
- Conserving Energy in Your Plant
- Design/Build Project Delivery
- Environmental, Health and Safety Compliance
- Facility Costs and Variances
- GMP Applications/Design
- High Purity Water Systems
- Integrated Compliance and Commissioning
- Lab/Animal Facility Design
- Permitting Practices and Procedures
- Potent Compound Design
- Project Controls
- Safety on Your Construction Project
- Target Costing
- Validation Master Planning
- Operational Excellence

To take advantage of IPS Lunch and Learn programs, please contact IPS at 888.366.7660.
