IPSI APPOINTS NARENDRA PRASAD AS CEO

- A Highly Recognized Leader Will Transform the How Pharmaceutical Facilities Will Be Designed in India –

Delhi, India; November 10, 2014 – IPS International Pvt. Ltd. (IPSI), a subsidiary of IPS-Integrated Project Services, Inc. (IPS) in USA which is headquartered in New Delhi, India, announces the appointment of Mr. Narendra Prasad as the Chief Executive Officer (CEO). IPSI, which has been in existence since 2003, is a leading full-service design, construction, commissioning and qualification firm focused on helping clients in the biopharmaceutical sector succeed with capital projects and improved operations. IPSI, along with IPS' subsidiary IPS-Mehtalia Pvt. Ltd., have a strong presence in the Indian biopharma marketplace.

Mr. Narendra Prasad, who is one of the most highly regarded and recognized leaders in the Indian biopharmaceutical industry, has over three decades of experience in the field of planning, designing and construction of biopharmaceutical facilities. Prior to joining IPSI, he was the Technical Director of NNE-Pharma Plan's Indian Operation. In addition to his leading-edge work in India, Narendra Prasad has also worked in Europe, Brazil, China, Malaysia, Singapore and the Middle East. He is well known in the Speaker's circuit with many speaking engagements including ISPE andACHEMA in Germany.

Mr. Narendra Prasad obtained his Bachelor's Degree in Chemical Engineering from Indian Institute of Technology (IIT), Roorkee and M. Tech from IIT, Delhi. He started his biopharmaceutical career with Ranbaxy. Narendra Prasad has worked on and provided technical and management leadership on numerous complex projects in India and other countries. His knowledge and expertise covers Biotechnology, OSD, Sterile/Injectables and chemical API.

"We are thrilled to appoint someone of such caliber, knowledge and passion to lead IPS International towards technical excellence and to provide our clients with highly functional, cost-effective, compliant state-of-the-art facilities," said Dave Goswami, Chairman of IPS. He also added that, "This strategic appointment will enable IPSI to become the unquestionable leader of professional service providers in the biopharmaceutical industry in India. This is consistent with IPS' global strategy of focusing on the emerging countries, seeking out the best talents in the world and becoming the knowledge leader in every global location."

About IPS

Integrated Project Services (IPS), headquartered in Blue Bell, Pennsylvania, USA, is a multi-national global leader in developing innovative and cost effective solutions for the design, construction, commissioning and qualification of complex pharmaceutical and biotech research and manufacturing facilities. With technical expertise spanning R&D laboratories to pilot-scale and to large-scale production, IPS specializes in the technology, trends and regulatory compliance to successfully deliver capital projects and improve operations. With over 750 professionals, IPS is one of the fastest growing global companies servicing the biopharmaceutical industry. Visit our website at www.ipsdb.com.
