**B. Mehtalia Forms Commissioning and Qualification Division
with Appointment of Shamal Sapale**

-Sapale brings strong expertise and leadership in product development and compliance-

Mumbai, India; April 05, 2012 - B. Mehtalia Consultants Pvt. Ltd., an affiliate company of IPS-Integrated Project Services (IPS) Global and a leading consulting firm dedicated to providing cost-effective architecture, heavy engineering, and construction management solutions for various industries including personal care, pharmaceutical, automobile, food and beverages, consumer goods and chemicals, today announced the addition of Mrs. Shamal Sapale as Director of Commissioning and Qualification.

Mrs. Sapale will develop and oversee the commissioning and qualification team and service at B.Mehtalia. The addition of Mrs. Sapale reinforces B. Mehtalia's dedication to providing clients with quality services by ensuring that the implementation of design is completed more efficiently and cost effectively to save clients' time and money.

Mrs. Sapale possesses over 27 years of management experience in providing engineering consultancy for biopharmaceutical projects including the formulation development of oral solid dosage (OSD) products and the concept, design and layout of pharmaceutical and biopharmaceutical plants for formulations and development. She specializes in compliance with international regulatory guidelines and validation of pharmaceutical and biopharmaceutical process equipment, systems, clean utility systems and facility qualification.

Mrs. Sapale has been successful in leading product development, research and documentation to meet pharmaceutical industry regulations and other regulatory authorities to launch new products in the market. She has also led the training for current good manufacturing practice (cGMP), good documentation training and good automated manufacturing practice (GAMP) to prepare process engineers for international assignments. Prior to joining B.Mehtalia, she was Director of Validation, Quality Assurance and Compliance at SNC-Lavalin, a premier consulting company in Mumbai, where she oversaw the execution of validation services for key clients like Janssen Cilag, Zydus Nycomed, Berna Biotech, Polypeptide Laboratories, Teva, Serum Institute, Sandoz – Indonesia, Bharat Serums & Vaccines India Ltd.

Mrs. Sapale holds a Bachelor of Pharmacy and a Post Graduate Qualification in contract clinical research program.
