**IPS APPOINTS PROJECT MANAGEMENT EXPERT AS
DIRECTOR OF PROJECTS FOR THE EMEA REGION**

*- Experienced Pharmaceutical Industry Project Manager to Lead
IPS Projects from Birmingham, UK -*

Blue Bell, Pennsylvania & Birmingham, United Kingdom; May 10, 2017 – IPS-Integrated Project Services, LLC (IPS), a leading global design, engineering, project controls, construction, commissioning and qualification services firm, announces the appointment of Mr. Mark Marlowe as Director of Projects, based in IPS' European head office in Birmingham, UK. Mr. Marlowe is an established Project Executive in the pharmaceutical industry and possesses approximately thirty (30) years of experience delivering complex projects for major multi-national companies in the UK and Western Europe.

Mr. Marlowe is highly regarded for his project management expertise by delivering numerous successful projects for pharmaceutical companies including AstraZeneca, GSK, and Novartis. Before joining IPS, Mr. Marlowe held a senior leadership position with PM Group. During his tenure, he played an instrumental role in the significant growth of their UK office. As an accomplished Project Manager, Mr. Marlowe acts in the best interest of the client to achieve cost, schedule, and quality objectives, while managing high performing teams through all phases of a project, from concept, scheme, detailed design, construction, and validation.

Mr. Marlowe also brings a wealth of project controls experience which will advance IPS' European project delivery capability. He is passionate about developing client relationships as a key part of successful project delivery and has acted as project sponsor on many large projects.

Mr. Marlowe holds a 1st Class Honours in a Bachelor of Engineering Degree in Electrical Engineering from Staffordshire University, UK and is a chartered engineer. Mr. Marlowe's engineering background has provided a strong foundation for his role as Project Manager, and he regularly chairs project reviews, design reviews, and design co-ordination reviews.

"We are delighted to have Mark join IPS," said Daryn Jenkins, Chief Executive Officer of IPS EMEA. "Mark brings strong leadership skills, developed over the course of many years working directly for pharmaceutical companies, and his unique technical expertise in the area of project delivery will surely benefit our clients."

About IPS EMEA

IPS-Integrated Project Services Ltd. (IPS EMEA), located in Birmingham, UK and Basel, Switzerland, is the premier full-service provider for IPS clients' projects in Europe, Middle East, and Africa. In operation since 2015, IPS EMEA continues to rapidly expand its EPCMV project delivery capabilities to the pharmaceutical and biotechnology sectors. Current portfolio of projects are in various stages of execution, from concept through construction and validation, and span several locations, including UK, Ireland, Denmark, the Netherlands, Austria, Spain, and France.

IPS is a global leader in developing innovative and cost effective solutions for the biopharmaceutical and life sciences industries. Headquartered in Blue Bell, PA-USA, IPS is a multi-national company with over 1,000 professionals, and offices in the US, Canada, Brazil, UK, Switzerland, Singapore, China, and four locations in India. IPS is one of the fastest growing global companies servicing the life sciences industry. Visit our website at www.ipsdb.com.
