PATRICK WONG PROMOTED TO SENIOR REGIONAL DIRECTOR, CHINA OPERATIONS

Blue Bell, Pennsylvania, October 18, 2018 – IPS-Integrated Project Services, LLC, a leading provider of engineering, procurement, construction management and validation (EPCMV) services, is pleased to announce the promotion of Mr. Patrick Wong to Senior Regional Director, China Operations. In this role, Mr. Wong will lead IPS' Shanghai based operations, where he brings his extensive international industry experience in engineering and compliance services to the region.

Mr. Wong has over 40 years of diverse experience in the pharmaceutical industry. Before joining IPS, he was the Director of Global Engineering for a leading pharmaceutical company where he oversaw projects across the globe, including the US, China, Taiwan, Indonesia, Ireland, France, Italy, and Germany. The experience he brings from the “owner” side is invaluable to IPS and to the clients they support. His in-depth knowledge of delivering complex projects within budget and on schedule, along with his strong leadership skills are contributing factors to IPS' achievements in the Chinese market.

Mr. Wong has been instrumental in the successful award of multiple projects through his strong professional relationships with regional clients. His understanding of the unique market conditions, his local relationships, and his passion for success will enhance an already successful operation.

“IPS was established in China nearly five years ago as part of the company’s global expansion strategy to support the biotechnology and pharmaceutical industries,” said Dave Goswami, P.E., IPS Chairman and Chief Executive Officer. “We believe the Chinese market will remain strong in the coming years. Patrick’s leadership will increase the visibility of our global brand in this growing local environment, and contribute significantly to the continuous growth of our Asia-Pacific region.”

Mr. Wong will work closely with Mr. Pankaj Kumar, Managing Director of Singapore, as the two operations together constitute IPS' Asia-Pacific Global Business Unit.

About IPS

IPS is a global leader in developing innovative business solutions for the biotechnology and pharmaceutical industries. Through operational expertise and industry-leading knowledge, skill and passion, IPS provides consulting, architecture, engineering, construction management, and compliance services that allow clients to create and manufacture life-impacting products around the world. Headquartered in Blue Bell, PA-USA, IPS is one of the fastest-growing companies servicing the life sciences industry with over 1,100 professionals in the US, Canada, Brazil, UK, Ireland, Switzerland, Singapore, China, and India.
